BOBBILI SANDEEP REDDY

Hyderabad, India | bsandeepreddy27@gmail.com | +91 9248493943

Career Objective

To secure an entry-level Software Engineer / Full Stack Developer position where I can apply my skills in Python, Java, and web development to build scalable solutions and contribute to organizational growth.

Education

Institution	Degree / Year
KGReddy College of Engineering & Technology, Hyderabad	B.Tech, Computer Science Engineering (2021- 2025)
Gayathri Junior College, Hyderabad	Intermediate (2019-2021)
Bhashyam High School, Hyderabad	SSC (2018-2019)

Projects

• AI Object Identifier – Built a React + TypeScript web app using the Google Gemini API for real-time object recognition, image analysis, and conversational Q&A with camera integration.

• Metal Price Tracker – Developed a React + Vite web app to track live prices of Gold, Silver, Platinum, and Palladium with search functionality, MetalPriceAPI integration, and secure API key management using environment variables.

• Differentiated Case-Flow Management System – Automated legal case handling, enhancing efficiency and reducing manual work.

• Procurement & Vendor Payment Portal (NEEPCO) – Built using Django & MySQL to streamline procurement workflows and vendor data management.

Technical Skills

• **Programming Languages:** C, Python, Java, JavaScript, TypeScript

• **Web Development:** HTML5, CSS3, React.js, Vite, Node.js, Express.js

• **Databases:** MySQL, MongoDB, Database Management Systems (DBMS)

• **Tools & Platforms:** Git, GitHub, MS Word, Excel, PowerPoint, VS Code

Internships

- MERN Stack Internship – EY GDS & AICTE (Remote, Feb–Mar 2025)

- Web Development Internship – Zidio Development (Remote, Jan–Mar 2025)

- Product Design Internship (8 weeks)

- Rural Internship Program

Certifications & Achievements

- Cloud Skill Challenge (Azure AI Fundamentals) – Microsoft Learn Student Ambassadors (2025)

- AWS Cloud Practitioner – Amazon Web Services (2023)

- Python Full Stack Development – Nov 2022 to Jan 2023

- DBMS Certification – Mind Luster (2024)

- Domestic Data Entry Operator – English (2024)

- Common Internship Test – Internship Studio (2024)

- Gyan Shodh Internship Certification

- Rural Internship Certification

- Product Design Internship (8 weeks)

- Electrical Quiz (Pragnya'22, JNTUHCEH) – Participation Certificate
